HOSTED BY POCONO MEDICAL CENTER

Office Location:
Rt. 447 Medical Plaza,
Building 100,
First Floor,
East Stroudsburg

GET! WELL

It is estimated that one in five Americans will develop skin cancer. With more than 3.5 million cases diagnosed annually, skin cancer is the most common form of cancer in the United States. Pocono Medical Center (PMC) is pleased to provide free screenings for under-and uninsured individuals as part of our mission for ensuring the health and wellness of our community.

Certain criteria apply. Registration is required.

Please call (570) 420-6220 Please call the office for an appointment – now through September 30, 2011.
