

Are you paying too much for Quality Childcare for your 3 – 5 year old child?

Then check out our program today!

We have a credentialed staff, a NAEYC Accredited and PA Keystone Star Site with a large, safe outdoor play space as well as individualized program planning for each child. We provide breakfast, lunch and snacks and can accommodate special diets. All children receive free health, dental, vision and developmental screenings.

Openings for extended hours are now available. Call Monroe County Head Start in:
