handicapped

TWO-BEDROOM | 824 sq. ft.

## Supportive Service Program

White Stone Commons offers a Supportive Service Program. Support Service coordination entails partnering with all possible community, state and federal agencies to meet each resident's individual needs at little or no cost to the resident. The resident may be in need of prescription assistance, transportation assistance, financial assistance, housekeeping assistance, nutrition assistance, or many more. Empowering elderly residents to maintain independent living is Warbler Run Development Corporation's number one goal.
